Good Morning Mark

I am sorry it has taken so long to get back to you, but tracing those with information about the Connell family has been difficult.

I probably ended up with the same information as yourself.

- The family built a house in Centre Dandenong Rd where the current vet is situated
- They produced food for the Gartside Cannery
- Thomas died 21/9/1969 @ Ivanhoe and Ellen Mary died 1964
- John – i have no information on him
- ELLEN AND Thomas listed as shopkeepers

I have tried to track down exactly how Connell Close was named without any success, from Council.

Apologies for the lack of information, but if anything else turns up, i will be in touch.

Kind regards
