Community Appreciation Awards – 2002

Shirley DeWever

Shirley DeWever &
Nicholas Grant

Shirley has been a resident of Dingley Village for 30 years or more. She has been a very active member of the Dingley Village Community Association for 25 of these years, holding the office of Treasurer for the past 4 years.

One of Shirley's significant contributions has been that she is always there when needed. She has been a thoughtful participant in the life of the Dingley Village Community and has had many jobs (e.g. getting decent light poles in front of the shops in Centre Dandenong Road). She always works with efficiency and persistence until the mission has been completed.

*Shirley is Deputy Chairperson of the
City of Kingston, Dingley Village Committee.*

Shirley is now retired from the workforce, but during her working life was a Manager/Buyer of children's wear in a buying Group, which she enjoyed very much. Whilst working long hours, she still found time to devote some of her free time to serve on Committees to promote and care for the welfare of the people of Dingley Village.

Shirley is very Community and family minded. She cares about people, their concerns their lives and their values. She loves travelling, is hard working and straight to the point.

What you see is what you get!

*Congratulation Shirley & Thank you for your commitment to the
Dingley Village Community.*
