

Giovis

Con & Marg

Ministers Dingley Village Church

3. Summarise reasons why you feel this nominee should receive the Award:

Having had the pleasure of working with Mr. Vogt and the Dingley Dossier as the provider for reports relating to Dingley Primary School and also in a number of different community activities, we are fully aware of the importance he placed on value and commitment within our community. Over the past 20 years plus, we have also had the unmeasurable pleasure of working with both Con and Marg Giovis in their capacity as Religious Education instructors, numerous school based activities including camp supervisors/ leaders and more recently, as our nominated ambassadors for the Alana & Madeline Foundation's "Better Buddies" Program. Marg and Con Giovis are highly regarded members of our school community which by its very nature greatly reflects the spirit of Dingley's "family" community. They have always maintained an extremely high level of commitment to student welfare and wellbeing as both school and local community members. They work closely together to present a supportive, encouraging and very caring manner with children of all ages and are always available 24/7 to assist families or individuals in need.... all the time respecting the need for privacy within the community.
